THE DIME SAVINGS BANK

OF NORWICH The regular Semi Annual Dividend has been declared at the rate of 4 per cent. a year from the earnings of the past six months, and will be payable on and after November 15th. FRANK L. WOODARD, Treasurer

THE NEW YORK, NEW HAVEN AND HARTFORD RAHLROAD COMPANY.

New Haven Conn. Oct. 5, 1915.

To the Stockholders:

Notine is hereby given that the Annual Meeting of the Stockholders of the New York, New Haven and Hartford Railroad Company will be held in Barmonie Hall, No. 9 Elm Street, in the City of New Haven, Connectiout, on Wednesday, the 27th day of October, 1916, at 12 o'clock noon, for the following purposes: ng purposes:

To consider and take appropriate action upon the Annual Statement and all acts described therein or reported at said meeting.

2—To elect a Board of Directors for ting.

he plan for permanent financing of Company cannot be completed in a sor action at this meeting.

by the purpose of this meeting the refer books of the Company will be esfer books of the Company will be esfer books of the Board of Directors.

1918, both days inclusive. ARTHUR E. CLARK, Secretary.

tional Enameling and Stamping 2 1-4 to 36 1-8 and American Linseed 3 3-4 to 36 1-8 and American Linseed 4 to 16 16 1-8 to 36 1-8 and American Linseed 5 to 16 18 and the fertilizers and oils. Linke Linseed 5 1-8 and the fertilizers and oils. Linke Linke Steel's course was watched with especial interest because of tomorrow's quarterly meeting of the directors. Steel opened a fraction higher, soon fell over a point and was heaviest at the close, losing 1 1-8 at 38 3-8. The best opinion is that no action on the common dividend will be taken.

Eries were the outstanding features of the railways, the c

Colds Do Not Leave Willingly. Because a cold is stubborn is no reason why you should be. Instead of "wearing" it out, get sure relief by taking Dr. King's New Discovery. Dangerous bronchlal and lung allments often follow a cold which has been neglected at the beginning. As your body faithfully battles those rold germs, no better aid can be given than the use of this remedy Its merit has been tested by old and young. Get a bottle today. 50c and 51.00.

ABERG DEFENDS HIS TITLE

Russian Champion at Graeco-Roman Wrestling Threw Wladek Zyszko, the Polish Challenger-Struggle Went for Four Minutes More Than an Hour.

New York, Oct. 25.—Alexander Aberg of Russia, world's champion at Graeco-Roman wrestling, successfully defendant in the Pole, after one hour and four minutes wrestling at Madison Square Garden tonight.

The men met for periods of ten minutes, separated by a minute's rest. Aberg had Zbysako on the mat several times, the former excelling in offensive work. In the seventh session the Pole, securing a body hold, held his opponent up, swung him around three times and threw him sideways to the mat. As the man fell Zbysako was alignity underneath. Aberg grabbed his opponent's left wrist and, with a side roll, turned him over and obtained a chancery and body hold, enabling him to pin Zbysako's shoulders to the mat. One fall decided the match.

Aberg, who is 31 years old, weighed 230.

DICK STOSH A COMER. Boy from Cleveland Who Promise Well in Lightweight Division.

Stoch of Cleveland, the boy who is to meet Terry Brooks of Bos-fon at 135 pounds in the star bout at New London on Wednesday night, under the auspices of the National A. C., is some fighter. He is only 19 years old, but in spite of his tender age has hewed out a fine record for age has hewed out a fine record for himself. As an amateur he won tournaments through the middle west. He beat the best in his class in Cleveland, Cincinnati, Pittsburgh, Kansas City, St. Louis, Chicago, Toronto Boston and finally wound up his honor and glory career by stopping all opponents in the New York A. C. tournament a few months ago.

A perusal of Dick's professional record shows knockout victories over Gene Glivey, two rounds: Jock Fox, one round; Young Clancy, five rounds: Johnny Glynn, two rounds and Billy

Stosh is one of the boys who combine cleverness with a punch. He can box along the most approved scientific lines and at the same ime can whip over a wallop with a knockout sting to it. His string of K. O. victories attests this. He has a left hand that is a pippin. He jabs like a streak of lightning with it and can hook it with dazing force. His right, too, is a powerful blow. Flynn declares he is just as hard a puncher as Leach, Cross.

YALE NEEDS COACH

AND QUARTERBACK
Hinkey is Years Behind the Times and Capt. Wilson is Poor Man to Direct Team.

Monday is a great day at Yale. It's Came from a pretty drop kick by Hull. Ifke a reunion of G. A. R. men at the Monday afternoon practice. We look upon the Yale football warriors who were all shot to pieces and trampled

were all shot to pieces and trampled on two days previous. They appear hobbling along on crutches, with the arms in slings and head plastered with bandages. Every Monday afternoon there is a sorry sight out at Yale

FINANCIAL AND COMMERCIAL

ACTIVITEY IN SPECIAL STOCKS. Regardless of Acute Weakness in Foreign Exchange.

New York, Oct. 25.—Last week's renewal of activity in special stocks was resumed on a large scale today, regardless of more acute weakness in foreign exchange. Demand sterling fell to 4.61 1-2, a decline of 12 points from the high point to which it recovered a few weeks ago only when the Anglo-Franch loan was in process of consummation and only 11 1-2 gen Mour of points above the alarmingly low level recorded in August.

Most other forms of foreign remittance were lower, including francs

ARTHUR E. CLARK, Secretary.

Vale Crew Picked.

A race was held on New Haven harbor Saturday between the first trial vale crows to determine the makeup of the varsity eight.

Near the finish a tug interfered, spoiling the race. The following men will make up the varsity boat for the present, though this is subject to change before the Yale-Columbia race on Nov. 12:

Constain, Mollane stroke, Captain Lower seven, Coombe; six, Meyer;

Most other forms of foreign remittance were lower, including france and lires, while marks were inclined to yield. It is becoming increasingly evident that the only solution of this problem lies in the establishment of new foreign credits.

Most other forms of foreign remittance were lower, including france and lires, while marks were inclined to yield. It is becoming increasingly evident that the only solution of this problem lies in the establishment of new foreign remittance were lower, including france and lives, while marks were inclined to yield. It is becoming increasingly evident that the only solution of this problem lies in the establishment of new foreign remittance were lower, including france and lives, while marks were inclined to yield. It is becoming increasingly evident that the only solution of this problem lies in the establishment of new foreign remit-and lives, while marks were inclined to yield. It is becoming increasingly evident that the only solution of this problem lies in the establishment of new foreign treation.

The higher prices scored today were again limited to so-called war shares.

Among the new records were Maxwell Motors common, up 15 3-4 to 90 1-2, the second preferred 4 1-2 to 64; Na-tional Enameling and Stamping 2 1-4

on Nov. 12:

Coxswain, Molane stroke, Captain Lower seven, Coombe; six, Meyer; the second preferred 7 1-2 to 64; Native Sturtevant; four, Kositsky; three, Atkins; two, Gilfilian; bow, Harriman.

This crew and a few substitutes will be sent to a training table at Com

Considering the games of Saturday mostly from a distance and without time for a thorough analysis, it would seem that the highest honors for the year may rest between Cornell and seem that the highest honors for the year may rest between Cornell and Princeton; that Yale is in no happy mood; that Harvard misses those five or six stars of a year ago; that Pittsburgh, which defeated Pennsylvania by a score of only 7 to 0, is not the best team in the east, although a mighty good one; that Darimouth is alightly below the standard of a year ago; that speedy rushing is getting results at Princeton beyond highest expectations and that the Cornell-Michigan game has assumed outstanding prominence. CHARLTON GETS SIX pleas, the former for the imposition of a heavy sentence and the latter, composed of Signor Cataneo and Mi-chelli Picardi, for acquital on the ground that the prisoner was totally irresponsible when the crime was committed. Signor Picardi declared that no man in Chariton's condition could be responsible for his actions under any law. Cool, via Paris.—The jury found Chariton only partially responsible and that there were extenuating circum-Owing to amnesty, Chariton will serve only twenty-nine days in pris-

Porter Charlton killed his wife in their villa on Lake Como, June 9, 1910. He was twenty years old and she many years his senior. At the time of their marriage, a short time prior to the tragedy, she was Mrs. Neville H. Castle, a daughter of Henry H. Scott, of San Francisco. Charlton's father is Paul Charlton, former federal judge of the district of Porto Rico.

Charlton and his bride were spending their honeymoon on Lake Como when he killed ber. Placing her body in a trunk he threw it into Lake Como, where it was found by a boatman. Charlton fied Italy and returned to the United States. He was arrested when he landed at Hoboken and immediately confessed.

In his confession Charlton said his wife was subject to fits of violent Story of the Crime.

Constitution and to continue to use his car
constitution as in support.

The Royal Knight, (3) 2:10, by Border Knight, 2:121-4. Axtien, 2:06 I-4, is to start in the \$20,000 stake at Frisco.

DOINGS IN THE AUTO WORLD

The control of the co

records have been constantly shat-tered, the total average speed of the twenty-two races run being close to twenty miles an hour higher than that made in all the road and speedway contests of two years ago. The num-ber of starters in the various events has been greater and the general in-terest in this class of sport has shown

my team.

In the first two periods the Cocational boys were able to score but twice, Yarvots making both touchdowns. A stiff wind made the attempt at goals fruitless. In the last half the New London boys uncorked their Minnesota shift which resulted in gain after gain, although an entire substitute team was put on the field reach of those who only wish to inhalf the New their minesota shift which resulted in gain after gain, although an entire substitute team was put on the field for Windham in an effort to thwart the attack.

The attack, the resulted in gain after gain, although an entire and distinctive closed car within the reach of those who only wish to invest a moderate amount. By means of the convertible, demountable top, individually fitted at the factory, the touring car is quickly transformed intouring car is quickly transformed in-to a weather tight sedan, or the road-stor into a natty coupe, just the thing for running about in all weathers, for business, shopping, taking the chil-dren to and from school, and for eve-

For running about in all weathers, for landings, actions of the state at Frisco.

Who said that San Francisco, who has come to depend upon his car for practically all his goings and comings, a closed car like going and comings, and comings and c
